Valentina Quiroga

Frontend Developer

Córdoba, Argentina | emeritavalentina@gmail.com | +54 351 158574580 | LinkedIn: linkedin.com/in/valentina-quiroga-zalazar

PROFESSIONAL SUMMARY

I am a Frontend Developer with over 4 years of experience, including my work at SearchMAS, building modern, accessible, and scalable interfaces using React.js and Next.js. I specialize in developing high-impact digital products, prioritizing user experience and best development practices. I have worked collaboratively with cross-functional teams (UI/UX, backend, QA, and functional analysis), actively contributing to the continuous improvement of processes and features.
